SUMMARY SHEET

I. <u>Description of Item</u>

Resolution is authorizing the Shelby County Division of Corrections to increase the FY09 budget to allow expenditure of grant funds unspent at the end of FY08. The county received a federal grant that goes from September 29, 2006 to September 28, 2010, which crosses our fiscal years. The original estimate of spending in FY08 was too high and thus funds were unspent. These unspent funds can be utilized from July 2008 to September 2008 part of our FY09. The Division of Corrections has expenditures that may properly be charged to this grant if adequate budget was in place in the county's accounting system and a budget amendment is required in FY 09 to increase the grant budgets. The grant is from the U S Department of Health and Human Services to provide fatherhood and family bonding programs to male inmates as the Fatherhood Priority Area 5 program.

Source and Amount of Funding

- A. Amount Expended/Budget Line Item amended grant budget with federal dollars totaling \$179,275.00 in Fund 510 and Org 350107. A 10% match is provided from the Corrections Fund.
- B. All Costs (Direct/Indirect) The grant budget funds 100% of the program related activities.
- C. Additional or Subsequent Obligations or Expenses of Shelby County This is the second year of a five year award. There is no obligation to continue this grant beyond its expiration.

II. Contract Items

- A. Type of Contract Standard federal grant award for non-construction projects. Requires compliance with all federal grant rules, regulations and laws.
- B. Terms The grant period remains September 29, 2006 to September 28, 2010.
